**Re: Important Announcement Regarding My Retirement**

Dear Valued Patient,

I am writing to inform you that I will be retiring from my medical practice, with my last day of providing patient care being July 31, 2026. It has been a privilege to serve you over the years, and I deeply appreciate your trust and loyalty.

To transfer your records before July 31, 2026, please complete the enclosed **Authorization to Release Medical Records** form and return it to my office. Once received, your records will be transferred within fifteen business days.

Beginning August 1, 2026, your medical records will be accessible and securely maintained by:

Dr. Kyle Kirkland  
Marr-Kirkland Eye Center  
3030 University Dr., Suite 100  
College Station, Texas 77845  
(979) 776-7564

You are encouraged to transfer your care to Dr. Kyle Kirkland or any other ophthalmologist of your choice.

Again, thank you for allowing me to participate in your eye care.

Sincerely,

Mark B. Lindsay, M.D.
